The handicaps have been reviewed by Ray Pilling and George Bevan and handicaps have been changed where we felt adjustments were needed.

Handicaps:- The teams handicaps are added together and it is the difference between the two teams that goes on the score board at the start of the 18 ends.

**Please Note:** Players cannot play unless they have been allocated an official handicap. Please call George Bevan if new players require a handicap. 07740-432111
