The handicaps have been set by Ray Pilling, George Bevan and Tony Cole. Handicaps have been adjusted based on players who have regularly played in the short mat and where it is perceived a person has the bowling ability to adjust to this different format. All handicaps are reviewed at Christmas and will be adjusted where there is a perceived view their current handicap requires amendment.

Handicaps:- The teams handicaps are added together and it is the difference between the two teams that goes on the score board at the start of the 18 ends.

Please Note: Players cannot play unless they have been allocated an official handicap.
Please call Tony Cole if new players require a handicap. 07388 396027
